

TOULOUSE BUSINESS SCHOOL

Associate Professor
Financial Management and Financial Accounting
Barcelona, Spain

The Department of Management Control, Accounting and Auditing of Toulouse Business School invites applications for one position at the Associate level in the field of Financial Management and Financial Accounting, to maintain and develop its reputation for excellence in research and high quality teaching. The positions are open **from September 2016** and are maintained until filled in. The position should be filled by October 3rd, 2016.

JOB QUALIFICATIONS

The successful candidate will have a PhD, significant research experience, and the potential to publish in leading academic journals (publications in international journals required) and/or the recognition at an international level in her/his research. She/he will have excellent teaching ability and be capable to teach at any program from bachelor to Master levels in financial management and/or financial accounting. Teaching will be done totally or essentially in English. A minimum level of Spanish is mandatory (B2). French fluency is welcomed but not mandatory. Rank of appointment and salary will be commensurate with qualifications and experience.

TASKS

1. To lecture in the undergraduate (Bachelor in Management) and graduate (Master in Management) programs
2. To provide support to the affiliated faculty, to coordinate the contents related to the discipline and to promote curricular development and working on curricular development
3. To undertake research leading to publications in international journals, in association with other TBS researchers and/or Spanish based universities and research centres

ABOUT THE SCHOOL

Toulouse Business School (TBS) was the first French business school outside Paris area to obtain AACSB, EQUIS and AMBA accreditations. The School has three campuses: Toulouse, Barcelona (Spain), and Casablanca (Morocco), with a total of 4,100 students. It has a core "Grande Ecole" Program, lasting three years, which delivers a Master in Management. There are also several specialized Master programs (MSc and Masters, one of which dedicated to management control and auditing), a Bachelor in Management, an MBA program, and an Executive program.

Toulouse Business School offers competitive working conditions.

More information about Research at the School can be found at the link: <http://www.tbs-education.fr/en/faculty-research/research-tbs> and more information on the TBS Faculty at: <http://www.tbs-education.fr/en/faculty-research/faculty>.

ABOUT THE CAMPUS
